

BULK CARD ORDERING SYSTEM AND METHODS

ABSTRACT OF THE DISCLOSURE

A method for ordering a plurality of presentation instruments in a single order includes receiving at a host computer system a request from a purchaser to order the plurality of presentation instruments. The method also includes sending one or more files that are executable by a computer of the purchaser to produce one or more corresponding display screens programmed to collect purchase information relating to the plurality of presentation instruments. The method further includes receiving at the host computer system the purchase information from the purchaser. The purchase information includes a recipient information file. The method also includes delivering the presentation instruments in accordance with the purchase information.
